**SUPPORTING H.R. 2866—THE REDUCING BARRIERS FOR RELATIVE FOSTER PARENTS ACT**

**HON. TERRI A. SEWELL**

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 20, 2017*

Ms. SEWELL of Alabama. Mr. Speaker, on June 8th, I joined my colleague Rep. LLOYD SMUCKER, in introducing H.R. 2866—the Reducing Barriers for Relative Foster Parents Act. This bipartisan bill encourages states to update their licensing requirements for foster parents in order to ensure that relatives have the ability to become foster parents.

Under current law, states have tremendous flexibility to set their own rules and guidelines for licensing foster homes. Unfortunately, many states have outdated regulations that make it difficult for family members to become foster parents. For example, some states fail to notify family members when relative children enter the foster care system. In other states, children can be removed from a family member's home and thrown into the foster care system if the relative adult does not have a separate bedroom for the child.

H.R. 2866 would require that the Department of Health and Human Services create model licensing requirements. States then must either adopt the HHS requirements, or provide an explanation for why the licensing requirements are not ideal for the state. My home state of Alabama has updated, family-friendly licensing standards, so compliance with HHS's standards will be simple. However, families residing in states with antiquated standards would face fewer barriers when trying to become a foster parent.

Many studies prove how beneficial placement with family members can be for foster children. According to Generations United, children in the care of family members experience higher stability, permanency, and positive mental health outcomes. Furthermore, allowing children to stay with their family members gives children the opportunity to maintain strong connections to their community.

I was very pleased that my bill was unanimously supported in the Ways and Means Committee, and I look forward to its passage through the House this evening.

**HONORING THE LIFE AND LEGACY  
MR. LEO SHEY**

**HON. ALCEE L. HASTINGS**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 20, 2017*

Mr. HASTINGS. Mr. Speaker, I rise today to honor the life and legacy of Mr. Leo Shey of Pembroke Pines, Florida. Leo was a dear friend of mine who sadly passed away on June 13, 2017.

Leo was born in the Bronx, New York. He served honorably in the United States Navy, and after marrying his wife Bunny in 1950, they moved to Dade County in South Florida in 1958. As a mortgage banker, Leo dedicated many years of his career specializing in low-income housing in Dade and Broward counties, and also served on the board of directors of the Park Place Association for 40 years. Through his contributions, Leo made a profound impact in South Florida.

Leo went on to establish himself in Atlanta, Georgia where he emerged as an ally of the African American business community. At the forefront of civil rights activism, Leo became an esteemed member of the 100 percent Wrong Club.

Distinguishing himself through extraordinary involvement in the community, Leo touched countless lives. He is survived by his wife Bunny, and adored by father of Nina Voges (Dan), Michael (Barbara), like-a-son Seth Brown, and predeceased by Douglas. Beloved and wise grandfather of Tim (Rachel), Caitlin (Todd), Sherri and Terri (Cesar), and blended family Danielle (Jorge del Valle, Arya and Jayley) and Sean Voges (Alice). Adoring Pop-pop of Wilhelmina, Sebastian and Violette Leo.

Mr. Speaker, words cannot express how deeply saddened I am for the passing of such a kind soul. I was devastated to learn of the death of one of the nicest people I have ever known. Leo was not a large man, but he was most among men. It is with a heavy heart that I honor his life and accomplishments, but most of all, to honor our friendship. My thoughts are with his loved ones, during this most difficult time.

**HONORING THE LIFE OF GEORGE  
CANON**

**HON. ELISE M. STEFANIK**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 20, 2017*

Ms. STEFANIK. Mr. Speaker, I rise today to honor and recognize a staunch advocate for the Adirondacks and beloved member of our community.

George Canon was a fixture in local politics. After retiring from the National Lead mines in Newcomb's Tahawus hamlet, Mr. Canon devoted himself to public service by working in many local organizations. Most notably, he was Newcomb supervisor from 1990 to 2015, serving 13 terms in office. During his long and inspiring tenure, Mr. Canon played a significant role in successfully preserving the Satanoni Great Camp and the historic railroad between North Creek and Tahawus.

A lifelong resident of the North Country, Mr. Canon loved the Adirondack Park deeply, cherishing both its history and natural beauty. This appreciation for his surroundings led George to seek out balanced environmental policies by working as a member of the Northern Forest Lands Council Advisory Committee. Through these efforts, Canon coupled his appreciation for the environment with a pragmatic understanding of his constituents' needs.

George Canon also served as president of the Adirondack Association of Towns and Villages, where he spent a decade representing and advocating for the citizens of the North Country. I am honored to have taken part in celebrating Mr. Canon's retirement in 2015, and hold a deep admiration for the lasting impact that his service has had on our area.

I would like to offer my deepest condolences to George Canon's family and friends, particularly his wife Monica. He was a true community leader and his legacy of service will endure in New York's 21st District.

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 20, 2017*

Mr. FRANCIS ROONEY of Florida. Mr. Speaker, I rise today in recognition of Dan Czahor of Fort Myers and Madison Heinrich of Naples. It has come to my attention that these two students have been selected to represent the state of Florida at the Congress of Future Science and Technology Leaders in Lowell, Massachusetts later this month.

The Congress is an event headed by the National Academy of Future Scientists and Technologists and is an honors-only program whose intention is to motivate the top students of the country, who are interested in a career in science or technology, to achieve their goals. The Academy selects all delegates based on nominations from teachers, proven academic excellence, and leadership ability. Further, their alumni include Nobel Prize winners, top scientific university deans, and other leaders in the STEM field.

It is encouraging to know that Dan and Madison are among these five hundred nationally selected students to go to the conference.
